INTERIM CONSENT ORDER

This matter was opened to the New Jersey State Board of Pharmacy ("Board") upon the receipt of an Interim Consent Order filed with the Board of Medical Examiners on May 22, 2008 attached hereto and made a part of this Order.

Pursuant to Paragraph 5 of that Order respondent is prohibited from having access to any controlled dangerous substances (CDS) in any professional setting, except where such medications are legitimately prescribed for him. The Board is concerned that respondent has a current and active license to practice pharmacy which is now restricted by Paragraph 5 of the Interim Consent Order of a Sister State Agency, and thus, pursuant to N.J.S.A. 45:1-21(g), has determined to enter into this Order, until Paragraph 5 of the Board of Medical Examiners' is either

eliminated or modified to permit respondent to have access to CDS,
and until further order of this Board. The Board finding the
within disposition to be adequately protective of the public
health, safety, and welfare;

IT IS THEREFORE on this 20th day of August, 2008,

ORDERED that:

Respondent shall not have access in any personal or
professional setting to controlled dangerous substances, except
where such are legitimately prescribed for him by a treating
physician or other licensed health care provider.
